

INVITATION
IMAGO Cinematographers Forum

An inspirational meeting and exchange of ideas and experiences
A 3-day forum aimed at professional cinematographers
Friday October 18th – Sunday October 20th, 2013 in Vienna

We are inviting outstanding cinematographers (some) together with the director they share a long term collaboration with. Artists, who have shown such a degree of creativity and personal expression that we simply have to meet them, have a talk, and a chance to be mutually inspired. We are very happy and honoured to announce that

Russell Boyd ASC, ACS with Peter Weir ("Master and Commander")
Michael Seresin BSC with Alan Parker ("The Life of David Gale")
John Toon ACS, NZCS with Christine Jeffs ("Sunshine Cleaning")
and additionally Luca Bigazzi ("La Grande Bellezza")

have confirmed their attendance.
(There might be changes and additions in the program!)

"Inspiration" Cinematographers Forum will be structured like a dialogue between the guest speakers and the audience – with discussions, exchange of views and experience, and screening of clips from the guest's films, giving them the opportunity to explain their artistic choices. All based on the assumption that the cinematographic expression is the pivotal starting point.

The admission fee is 130 EUR.
Location: Metro Kino, Johannesgasse 4, 1040 Vienna Austria
Begin: Friday October 18th at 2 pm.
End: on Sunday October 20th at 5 pm.

Please apply online with the following link:
