Status do sinalizador: Sinalizada

Dear members of the IMAGO election committee,

We are terribly sorry for this last minute application but in regards of the latest news from IMAGO's forthcoming elections, we at the AFC feel compelled to resume our active presence within the Board.

You'll be delighted to hear that we and other Board members successfully managed to convince Denis Lenoir AFC ASC ASK to run again at the next IAGE elections for a Board member position.

This email is to be considered our official application for Denis Lenoir's candidacy in order to meet the deadline.

We just wrapped the Micro Salon in Paris, Marie our general manager doesn't work on Fridays and this week end is holiday in France so please excuse the lack of formal letter, we'll send a more appropriate mail next Tuesday.

Respectfully,

Léo Hinstin
