Dear committee members. Bojana and I are sending you the presentation by the SBC, belgian society, of Mr. Louis-Philippe Capelle to the presidency of IMAGO. Staying out of your work, we would like to make a call to ensure that all candidates previously meet the conditions to be candidates for the presidency.

One of our most important objectives is to guarantee that this electoral process takes place under the best conditions, so that no one can question the election of the candidate who will be elected. For this we must ensure that the candidates meet all the conditions of the statutes. In order to avoid any error that could invalidate an election, we ask you to review the following points:

First we invite you to verify that the Society that presents any of the candidates is in good standing with the IMAGO fees. This is information that can be corroborated with our treasurer.

Second, and considering what has happened during the last year, we would ask you to carefully verify the periods in which the candidates have been part of the IMAGO board, or have held management positions.

We remind you that this is advice and not an imposition. For us, it is essential that this election be carried out with the greatest legitimacy, face of all the IMAGO Societies.

We deeply appreciate your interest and commitment.

ADRIANA and BOJANA

Dear Members of the Board,

The Belgian Society of Cinematographers (SBC) is proud to present Louis-Philippe Capelle, our co- chair, as a valuable candidate for the Presidency of Imago.

Imago has been through a long and difficult time of uncertainty.

Louis-Philippe's experience, patience and social network would be his greatest assets to put Imago back on the tracks of efficient work.

The past is behind us. He wishes to look forward, trying to be freed of the ghosts and to be the candidate for all national associations as well as for the sponsors.

Imago needs to be back close to his members, and evaluate rapidly their needs and wishes. A lot of work has to be done in this direction.

We hope that his candidature will unite, setting aside the differences and disagreements.

He wants to work with all, equally.

Kind regards,

Lou Berghmans, co chair of SBC
