Assunto: IEGA 2022

Dear Predrag, Marcela and Sterian

Thank you for the invitation to the IEGA 2022.

DFF would like to nominate ROGER SIMONSZ BSC for the post of president of IMAGO the next three years. We think that IMAGO should only have one president going forward, but up to three vice-presidents - In any case, we think that the changes should be agreed upon at an IAGA or IEGA and added to the IMAGO statutes, before we can change how the board is put together.

We also ask that the board keeps an eye on how many countries will attend IEGA 2022, so we will not end up in a situation where there are too few countries to make the votes eligible. It should be common knowledge that the member countries usually have to be notified several times before they react.

It is after all a golden rule, that the more countries attend, the more effectful the decisions will be.

All the best
Jan
