IMAGO full members

Dear colleagues.

I hope very soon to be able to hand over the position of the presidency of IMAGO, which Bojana Andric and I held for almost 6 months, to a president who leads IMAGO along the best paths.

In any case, I believe it is a duty to continue working for IMAGO from the Board, which is why I put my name forward to be elected, independently of the co-vice-presidency, which I hold for now. I have nothing more to promise than the commitment of my selfless work and the desire to bring balance and good sense to IMAGO.

Any way I would like to highlight three fundamental points that we must take forward during the new government:

- Complete restructuring of the statutes of IMAGO.
- Work on finances with a view to strengthening the specific work committees.
- And fundamentally work on the recovery of trust and joint work.

I hope to represent the common good and to be able to work for the welfare of cinematographers around the world.

Best regards,
