DL's statement for Imago Board election.docx (~15 KB)

Dear Marcela, dear Alex,

I was elected last June (2021) as a board member for a three years term. I resigned (through an email, not a certified letter) in January of 2022. According to the statutes it is as if I had done a complete term of three years and if elected I will start my second (three years) term.

Here is my statement.

With all my best,

Denis Lenoir

Dear Candidate,

In order for the voting member societies to make informed and democratic choices at the upcoming elections of the May 15th IEGA, we kindly ask you to send us, as soon as possible:

1 – your motivation letter and electoral proposal/program; which should be one page maximum.

2 – Information on previously held positions and number of terms served on the IMAGO Board, with dates if possible.

Thank you very much
